Insurance Imposed Requirements...

Each child in attendance must sign in by a parent/legal guardian acknowledging they have read the release form before he/she can play in the gym. Parents may come into the gym area for observing and taking pictures. Parents or visitors over the age of 18 are NOT allowed on any of the equipment. This is for everyone's safety. Thank you for your cooperation.

Amenities...

A refrigerator and freezer are available for drinks, ice cream, etc. The staff will dispose of any food items left at the gym following your party.

What to expect...

You can come decorate 15–20 minutes before your party time. We have a party before yours that we need to clean up after. Your party will start right at the time scheduled. First 60–70 minutes will be for fun and play in the gym. The last 20–30 minutes will be for refreshments and presents in the lobby. The kids will not be allowed in the gym after eating and drinking.
